We employ comprehensive approach to interior design

Interior design of apartments and houses with home-centered concept made for living, inspiring, and enjoying every moment. We create homes since 2012, with 100+ projects in Russia, Kazakhstan, Austria, Switzerland, and Latvia

Bespoke furniture made to order and designed to reflect individuality and lifestyle of the customer

Educational course by Nadya Zotova on interior design. How to plan your space, see the essential, cut off the unnecessary, and transform your apartment into the power place

Interior Designing

Private interiors: houses and apartments of various scope and configuration, including historical and cultural heritage

Commercial interiors: offices, restaurants, cafes, shops, beauty shops, hotels

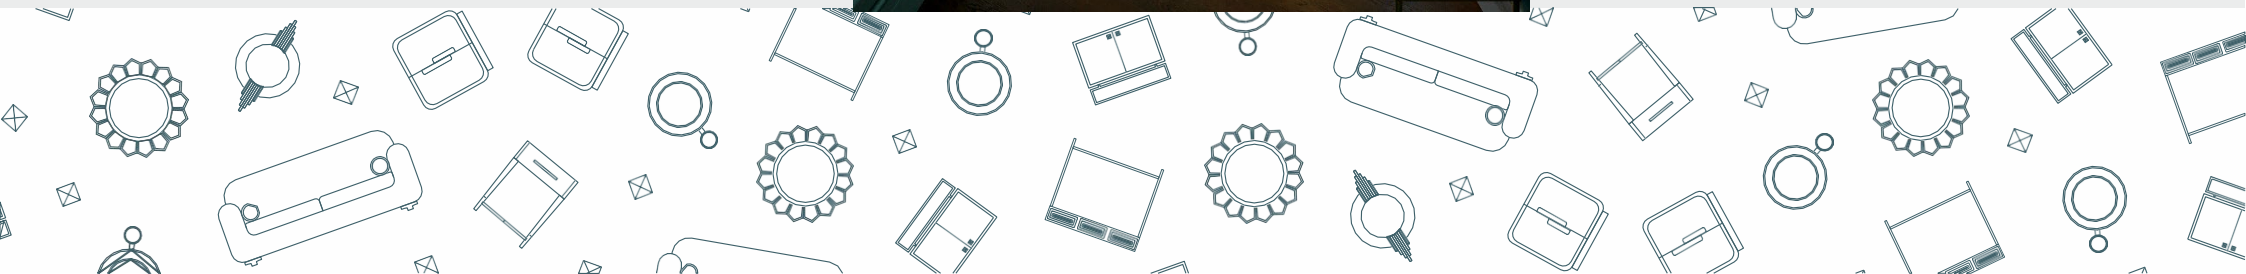

Expert recommendations and feasibility of real estate purchases

Redesign: style advice, preselection of textiles, décor items, furniture pieces, and arts

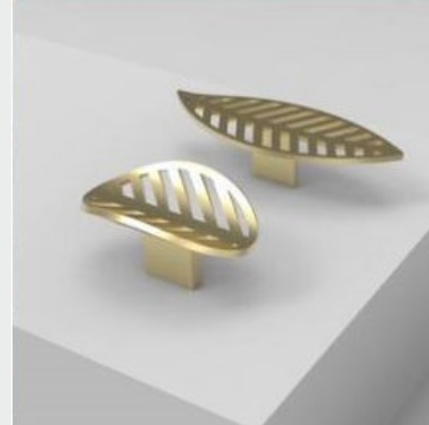

Procurement of materials, furniture, décor, and the rest

Project management: supervision of construction and repair works

Enjoy Home

Bespoke furniture:
designer pieces from our
capsule collection of furniture,
lighting and fittings will serve as
sweet talismans of your home

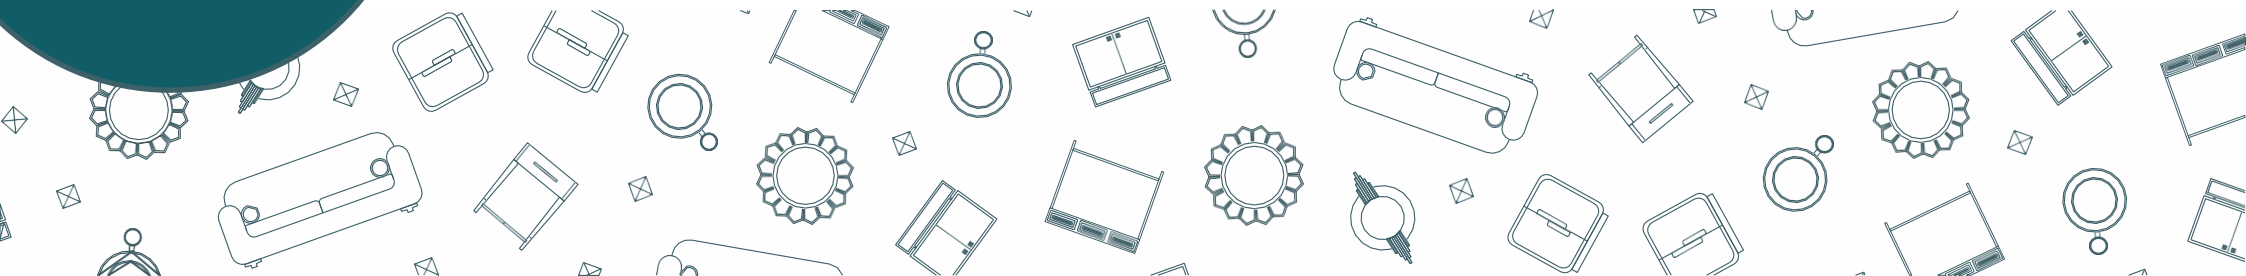

Furniture Boutique

We employ our 11 years'
experience to create unique
author pieces available for
further adaptation to match
the consumer's lifestyle
